

LINEAR DATA STRUCTURES AND ALGORITHMS.

Lab01: Zero Marks Exam

BACKGROUND.

The folder `/src` contains the following files:

- **exercises.java**: The class contains the 7 functions to be completed in the exam.
- **myMain.java**: The class tests the 7 functions of the exam.

The folder `/doc` contains the documentation of the project. In particular:

- **exercises.html**: Contains the description of the 7 functions to be completed.

EXERCISE.

Implement the 7 functions of `exercises.java`
